The Movie The movie has been released as part of Discovery Channel's New & Improved series. The story was created with the help of the movie makers and the story is not original. The producers wanted to produce a new type of narrative based on real serial killer stories. Some of the details of the story do not match anything found in the serial murders in the real world. One of the major stories of the movie depicts the death of a man who is the owner of a body shop, where some women work naked and in the night, so he becomes fascinated with the work and has several conversations with them. He also has a little companion named Chiyoko and she works in his shop as well a bit when the murderer kidnaps some women and/13/2018
